

## PRIMATE CONSERVATION

We are a Gambian-led conservation team that monitors endangered primates, promotes educational outreach & engages in sustainable ecotourism.

### WE OFFER:

- Primate safari
- Bird watching
- Tree nursery visit
- School visit
- Boat trip to view chimpanzees
- Bushbaby safari

- Traditional dancing
- Rocket stove building
- Overnight stay in 2 room roundhouse
- Tent camping
- Gambian cuisine

Travel upcountry to view wildlife & make a positive impact on the lives of locals & their surrounding forest.

Encounter endangered red colobus monkeys, baboons, crocodiles, hippos & countless birds.

**Visit C4RC to  
support wildlife  
conservation and  
sustainable  
development in  
The Gambia!**
